CLOSING QUOTATIONS OF MONEY.

Offerings and Sales at the Richmond Tobacco Exchange--Internal Revenue Collections--Foreign Advices.

NEW YORK, July 26.—Money on call loaned at 1% per cent., closing at 2 per cent., the highest Exchange steady; posted rates, 488@489c; actual rates, 487@487c; for six days and 488@488c for demand. Governments steady; currency 6%, 10% bid; 4% coupons, 11% bid; extended 2%, registered, 100 bid.

Stocks were extremely dull to-day. During the morning hours only 62,500 shares changed hands and most of this small total was made up of transactions in Cotton Oil, Sugar Trust, Whisky Trust, Erie, Lake Shore, Atchison and Rock Island. There was no feature in the dealings. Prices opened irregular, but soon strengthened and advanced throughout the morning. By noon the improvement ranged from 1/2 to 1% per cent. Among the stocks Lake Shore was the strongest, while the trusts Whisky and Sugar were the strongest. The market was excessively dull in the afternoon and little or nothing was done. The hot weather drove brokers out of town, and the floor of the Exchange during the afternoon presented a deserted appearance. The closing prices were generally slightly higher. The sales of stocks for the day amounted to 97,500 shares.
